Workshop on ASEAN Roadmap to Successful IP Commercialisation in a Knowledge-based Economy

2 December 2022

Programme

(All the time in HKT (GMT+8) and this event will be held as an online webinar)

IP commercialisation is a key driver of economic growth in a knowledge-based economy. This workshop will highlight the best practices of enterprises in managing IP assets to enhance IP protection, R&D capacity and technology transfer and to enable effective commercialisation, driving the development of a creative and R&D based economy. It will also cover IP policies and measures to facilitate exploitation and commercialisation of IP.

09:45 – 10:00	Registration
10:00 – 10:10	Opening Remarks <ul style="list-style-type: none">• Mr David Wong Director of Intellectual Property, The Government of the Hong Kong Special Administrative Region of the People's Republic of China• Attorney Rowel S.
